Disposal of hazardous materials or toxic waste must comply with all city, state, and federal laws.

Intellectual Property Rights

The objective of *Performance Racing Industry* (PRI) is to ensure proper protection of the intellectual property of its exhibitors. This includes the protection of trademarks, service marks, copyrights and patents. PRI has established a stringent policy regarding these matters. Every effort will be made to eliminate product conflicts and protect those that have legal rights to the products involved.

What You Can Do

Once you suspect another company has copied your product or has infringed on your legal rights—i.e., copyright, trademark, patent—report the suspicion to Show Management and a representative will visit your booth.

What Will PRI Do?

- Upon receipt of a complaint, Show Management will make the complaint known to the exhibitor and provide an opportunity for that exhibitor to remove the product/material in question from its booth.
- If necessary, Show Management will attempt to bring you and the violating party together for a meeting in the Show Management Office to attempt to resolve the matter.
- If the exhibitor will not remove the product, then you must take legal recourse, which might include seeking a restraining order, injunction or cease-and-desist order from a court with jurisdiction over the Indiana Convention Center.
- If you obtain the order, do not serve it yourself or have it served by an outside third party. Bring the order and/or the process server to the Show Management Office.
- Show Management will bring the party being served to the Show Management Office for service.
- Once served, Show Management will assist with the enforcement of the order to ensure that it is adhered to in a timely manner. Any costs associated with the enforcement of the service will be the responsibility of the exhibitor obtaining the order.

If it is determined at the Show that a company may be in violation and is requested to remove the product from display, but refuses to do so, then should it be determined by a court of competent jurisdiction after the Show that a company was in violation, that company may be prohibited from participating in any PRI-sponsored Shows for up to two years.

Specific rules that apply to both parties in this situation are:

- Do not enter or loiter around the booth of the other party.
- Do not harass or antagonize the other party.
- Do not remove anything from any exhibitor's booth.
- Do not register or give a badge to anyone not qualified to be in the Show, with the exception that any attorney attending the Show must be registered under your exhibiting company name.
- Do not photograph or video either party's booth or products.

Show Rules for All Parties

PRI Show Exhibitor Rules and Regulations must be observed at all times. Violation by any exhibitor may result in any or all of the following actions at the discretion of PRI:

- Closure of your company's booth.
- Exclusion from future PRI-sponsored shows, as an exhibitor or attendee.
- Loss of Show seniority.

Labor

The Exhibitor agrees to abide by all requirements of PRI, Fern, the Facility, and their agents pertaining to the use of union labor in the Exhibit Areas, and to abide by all labor regulations as stated in the Exhibitor Service Manual on www.performanceracing.com. PRI is not liable for changes in union regulations. A labor entity has jurisdiction through a labor agreement with Fern for the erection, touch-up painting, dismantling and repair of all exhibits when such work is done by persons other than Exhibitor's full-time company personnel. This work includes wall coverings, floor coverings, pipe and drape, painting, hanging of signs and decorative materials from the ceiling, placement of all signs and the erection of platforms used for exhibit purposes. The labor entity's jurisdiction does not cover the placement of Exhibitor's products on display, the opening of cartons containing Exhibitor's products, nor the performance, testing, maintenance or repairs of Exhibitor's product. If full-time company personnel are utilized to set an exhibit, they should carry positive company identification, such as a medical identification card, payroll stub, or have a company payroll report available.

Lotteries and Contests

The operation of games of chance or lottery devices, or the actual or simulated pursuit of any recreational pastime is prohibited unless approved in writing by PRI.

Material Handling

All material handling during move-in and move-out, as well as the movement of empty crates and the operation of material handling equipment, must be performed by Fern, except as indicated below. Fern has the responsibility of managing docks and scheduling vehicles for the smooth and efficient move-in and move-out of the Show. Fern is not responsible for any material it does not handle. Exhibitors may "hand carry" material, provided material handling equipment is not used. "Hand carry" exhibitors may not be permitted access to the loading dock or freight door areas. See the "Hand Carry Rules" in the Exhibitor Service Manual on www.performanceracing.com for more instructions and qualifications.

Move-out Security

Exhibitor personnel should remain in the contracted exhibit space until Exhibitor's display materials are secured and accepted by the freight carrier or otherwise removed by Exhibitor. PRI and Fern assume no responsibility for exhibit material left unattended in the exhibit hall during move-out. Submission of a Material Handling Agreement to Fern does not transfer responsibility to Fern.

Music/Photographs/Other Copyrighted Material

Exhibitor warrants and represents that no music, literary or artistic work or other property protected by copyright, nor the name of any performing artist or group protected by trademark, will be performed, reproduced or used incident to the Exhibitor's participation in the Show, unless the Exhibitor has obtained written permission from the copyright or trademark owner or applicable performing rights organization (BMI, ASCAP or SESAC). Exhibitor acknowledges that it acts under this Agreement as an independent contractor, charged with the responsibility, in its sole discretion, for selection, performance, reproduction and use of any musical, literary and artistic works in its exhibit space as it deems appropriate and that it undertakes strict compliance with all laws respecting copyrights and trademarks. Exhibitor agrees to indemnify, save and hold harmless PRI and the Facility and their directors, officers, agents, employees and servants from and against all claims, costs and expenses, including legal fees, demands, actions and liabilities of every kind and character whatsoever with respect to copyright and trademark rights, royalties and fees incurred by reason of Exhibitor's performance, reproduction or use of any musical, literary or artistic works or other property protected by copyright or the name of any performing artist or group in Exhibitor's exhibit space.

Noise Level Policy

Sound levels in the booth must not prevent neighboring exhibitors from conducting business. Speakers should be directed into the booth. Music or noise emitting from the exhibit space cannot exceed 85 decibels. Show Management shall have the right to lower volume to a reasonable level, remove sound equipment, or disconnect power if necessary for compliance.

Non-Exhibiting Companies

- If at any time before or during the PRI Show an exhibitor learns of a non-exhibiting company not complying with the Show rules, immediately report this to PRI Show Management by calling the Show Office at 317.262.5904.

Non-Exhibiting Manufacturer Registration Policy

Performance Racing Industry (PRI) will only issue Non-Exhibiting Manufacturer (NEM) badges to potential exhibitors interested in assessing the PRI Trade Show for future exhibiting opportunities.

In addition:

- A registration fee of \$500 per person will be charged to any NEM's planning to attend the Show (limit to two badges per company).
- NEM registrants are strictly prohibited from soliciting business or distributing promotional material of any kind to either PRI Trade Show attendees or exhibiting companies. Suspected briefcases, bags, suitcases, etc. are subject to inspection prior to entry to the exhibit hall and at various checkpoints.
- Showrooms, hospitality suites, receptions and/or special presentations cannot be hosted by non-exhibiting companies anywhere in Indianapolis during set-up and PRI Show dates.
- NEM's are limited to one year of show attendance, by company or person.
- If the NEM chooses to exhibit in the PRI Trade Show the following year, 100 percent of the NEM's registration fee will be applied towards their booth space rental, based on availability. Fees will be non-refundable if space is cancelled.

This registration policy has been established to protect contracted exhibitors and their Show investment, as well as preserve the integrity of the attendees walking the PRI Trade Show aisles.

Any NEM who is observed soliciting business in the aisles or in other public spaces, in another exhibitor's booth, or in violation of any of the rules and regulations of the PRI Trade Show will be asked to leave immediately. Additional penalties may apply.

Objectionable Exhibits

PRI reserves the right to remove and/or cancel exhibit space, or any portion thereof, that PRI deems objectionable.

Outboarding / Subletting

- "Outboarding" occurs when a company that is eligible to exhibit at the Show does not exhibit, but hosts buyers at a venue away from the Show during set-up days or Show days. Companies that engage in outboarding may be prohibited from exhibiting at the Show for one to three years as determined by PRI. Registration credentials will not be issued to any employee of a company prohibited from exhibiting due to outboarding. Exhibiting companies are encouraged to protect their investment and report any outboarding to PRI.
- The exhibitor shall not assign, sublet, or apportion the whole or any part of the space assigned, or have representatives, products, equipment, signs or printed materials from firms other than its own in the exhibit space.

Outbound Freight

All freight must be ready for shipment no later than 10:00 a.m. on Monday following the Show or Fern will remove it at Exhibitor's expense. Exhibitor's preferred carrier must check-in by 10:00 a.m. Monday. Exhibitor freight will be sent with an official freight carrier of Fern or sent back to Fern's warehouse where storage fees will accrue if carrier fails to meet check-in deadline. Freight fees under these conditions are generally greater than those paid inbound by the Exhibitor.

Exhibitor further agrees to indemnify and hold PRI harmless against any and all claims which may arise from the dismantling, including without limitation, damages to the premises, the display or personal injury due to holdover by Exhibitor past its allotted time of occupancy.

Photography/Video/Recording

- No exhibit, performance or event presented at the Show shall be photographed, videotaped, broadcast or recorded for commercial use, sale or distribution of any kind unless approved in writing by PRI. If found in violation of this section, Exhibitor agrees to surrender recording devices and media content immediately at the request of PRI and may be subject to loss of seniority points. No entity may use any audio or visual recording or streaming devices, including film, videotape, DVD, webcam, or any other similar methods which may be available to capture audio or visual at the Show

or its events unless approved in writing by PRI. Recorded content from the Show and its events is available from PRI and may be provided to third parties, including media outlets and legitimate news organizations. PRI may provide recorded content for commercial use at prevailing rates. PRI is responsible for the approval of all requests for access to obtain audio or visual from all PRI events.

ii. Every person operating an audio or visual recording device, including but not limited to videotape, film camera, digital video cameras and webcams at the Show must display the proper credentials issued by PRI. No entity may supply, sell or resell any audio or visual material of any Show without the express written consent of PRI.

iii. No entity, with the exception of official PRI licensees, may represent that it is the official, authorized, or sole provider of Show content or coverage.

iv. Exhibitor hereby waives its right of refusal to have its personnel, as well product or exhibit, photographed, videotaped, broadcast or recorded in any medium for any use whatsoever by PRI and/or entities authorized by PRI, including without limitation, uses by Show- authorized or sanctioned media producing broadcasts derived from material gathered at the Show.

v. In consideration of being allowed to participate in PRI, the participant ("Participant") hereby grants the PRI Show and their partners, authorized contractors and assigns: (1) full and unconditional permission to make still or motion pictures and any other type(s) of audio, video or visual recordings of Participant's activities and participation in the PRI Show and events, at the site of the events, and before, during and after the events; and (2) the exclusive, worldwide and perpetual rights to use the same, together with the name, likeness and biography of Participant, its agents, employees and assigns, along with the names, likenesses and data of, or relating to, Participant's products and display, for publicity, advertising, endorsements, promotion and any other kind or type of use or exploitations, whether or not for profit, in print, audio, video, and other communications media by reproduction and sale or other distribution by any and all means now known or hereafter developed.

Product Comparisons

Product comparisons that identify a company other than Exhibitor are prohibited unless approved in writing by PRI. The distribution or display of materials showing product, written materials or other content from a company other than Exhibitor is also prohibited.

Security Do's & Don'ts

- Escort your merchandise and/or goods to and from your booth if at all possible. The greatest risks of theft or loss occur during set up and tear down.
- Treat your valuable goods, especially prototypes, as irreplaceable. If they truly are one-of-a-kind, it's Show Management's suggestion you hire your own security for the duration of the show. Under no circumstances should such goods ever be left unattended. DVD players, televisions, computers, other electronic devices, and soft goods (such as T-shirts and jackets) are popular items for theft.
- At the close of each show day, cover all display tables. This establishes a barrier to curiosity-seekers.
- During tear down, stay within your exhibit until the empty cartons are delivered, your goods are packed, sealed, properly labeled, and if at all possible, until your cartons are picked up by the decorator or freight company.
- Obtain proper insurance coverage for your goods, including transit to and from show site. Please refer to the Exhibitor Insurance Form in the Exhibitor Information section of this Service Manual for more information.
- Show Management provides 24-hour general perimeter security, however, exhibitors are ultimately responsible for their own merchandise. Show Management, the Indiana Convention Center, or any of the contracted vendors do not assume responsibility for loss by theft, transportation, breakage, etc.
- Please report any on-site thefts to the Security Office located in the main lobby. A security representative will be on hand to file an incident report for you to take back home to submit to your insurance company.

Selling on the Show Floor

It is understood and agreed that Exhibitors are not permitted to sell products for delivery at the Show unless such sale is approved in writing by PRI. Orders may be taken for future delivery only. Product inventory in booths must be of an amount utilized for display only and may not be for delivery or resale at the Show. Any extra inventory deemed by PRI to be more than necessary or reasonable for display purposes only will be removed by Exhibitor or confiscated by PRI, at Exhibitor's expense.

Timely Dismantle

Exhibitor agrees to dismantle its display as soon as practical after the end of the Show. If teardown of the exhibit has not

commenced by 12:00 noon the day after Show close, then PRI shall have the exhibit dismantled at the Exhibitor's expense.

Unoccupied Exhibit Space / "No Show" / Space Abandonment

Trade Show Management reserves the right, should any rented exhibitors' space remain unoccupied on the opening day or should any space be forfeited due to failure to make proper payment, to rent said space to any other exhibitor, or use said space in any other manner, but this clause shall not be construed as affecting the obligation of the exhibitor to pay the full amount specified in his invoice for space rental, or the obligation of Trade Show Management to refund any deposits or fees.

- Any space not claimed and occupied by 3:00 p.m. on the last move-in day, may be resold or reassigned by PRI, without obligation on the part of PRI for any refund to the Exhibitor whatsoever.

Violations

The Exhibitor shall be bound by the Rules (as defined in section 2 herein to encompass these Exhibitor Rules & Regulations, the Exhibit Display Regulations and the Intellectual Property Rights Policy), and by such additional rules and regulations which may be established by the Facility and PRI including, but not limited to, those contained within the Exhibitor Service Manual on www.performanceracing.com. PRI shall enforce all Rules and such additional rules and regulations, and its decision on these matters will be final. All matters and questions not covered by the Rules and such additional rules and regulations shall be subject to the final judgment and decision of PRI. Any violation by the Exhibitor of any of the Rules and such additional rules and regulations shall subject Exhibitor to cancellation of the agreement to occupy exhibit space, to forfeiture of any monies paid on account thereof, and could make Exhibitor subject to loss of seniority points, loss of credentials for future shows and loss of other show privileges. Upon PRI notifying Exhibitor of such cancellation, PRI shall have the right to take possession of the Exhibitor's space, remove all persons and properties of the Exhibitor, and hold the Exhibitor accountable for all risks and expenses incurred in such removal.

Waiver of Liability and Waiver of Subrogation

PRI shall not be responsible for any damage, loss or injury that may happen to the Exhibitor or its agents, servants, employees or property from any cause whatsoever, except the gross negligence or willful misconduct of PRI, its servants or employees, arising out of PRI duties and responsibilities under the Agreement. Exhibitor expressly releases PRI, its directors, officers, agents, employees, assigns and/or servants from any

such loss, damage or injury. PRI and the Facility assume no liability or responsibility for loss or damage to Exhibitor due to fire, theft, breakage or any other reason. PRI and the Exhibitor agree to waive the right of subrogation by their insurance carriers to recover loss sustained under the respective insurance contracts for real and personal property.

PRI, its staff, employees, or agents assume no responsibility or liability whatsoever in matters relating to restrictions imposed on any Exhibitor by any governmental agency. Exhibitors shall obtain workers compensation insurance, and provide proof of it for all employees of Exhibitor if requested by PRI.
